Dear Gary,

Thanks so much for teaching
Bea over the last 3 years, and
for accompanying her today.

She has learned much, and
gained in confidence as a performer,
and Steve and I are very
grateful for the way you have
shared your knowledge with her.

May your work continue to bear
fruit with another generation
of musicians!

All the best to you, and to
your lovely family,

Sheryl & Steve & Rebekah Sankoezn
