

# Seven Nation Army (E Gary's Key)

||: E riff repeat

:|| kick drum in for 2 then verse

I'm gonna fight 'em all  
A seven nation army couldn't hold me back  
They're gonna rip it off  
Taking their time right behind my back

And I'm talking to myself at night  
Because I can't forget  
Back and forth through my mind  
Behind a cigarette

**|| G            | A            ||**

And the message coming from my eyes  
Says leave it alone

**Chordal as per riff (end with build up)\_\_|| G            | A            || band out 4 bars**

Verse 2 as verse 1

Don't want to hear about it  
Every single one's got a story to tell  
Everyone knows about it  
From the Queen of England to the hounds of hell

And if I catch it coming back my way  
I'm gonna serve it to you  
And that aint what you want to hear  
But thats what I'll do  
And the feeling coming from my bones  
Says find a home

**E feedback**

**Verse 3 as verse 1**

I'm going to Wichita

Far from this opera for evermore

I'm gonna work the straw

Make the sweat drip out of every pore

And I'm bleeding, and I'm bleeding, and I'm bleeding

Right before the lord

All the words are gonna bleed from me

And I will sing no more

And the stains coming from my blood

Tell me go back home
